

January 27, 2026 – Superintendent's Report

ADMIN UPDATE:

The Utilities are seeking approval of Task Order No. 27 with Wessler Engineering as part of the On-Call Engineering Services for the development of an Emergency Response Plan (ERP) as required by the USEPA for the Lawrence Municipal Water System for a not to exceed amount of \$3,000.00.

The Utility along with the Controller's Office is still working with Baker Tilly to complete the 2026 Water & Sewer Budget to present to the USB for your review. Your patience is appreciated and we are working to complete the needed review as soon as possible.

Account Adjustments:

7373 Parkside Drive – The property owner is requesting a sanitary sewer adjustment for \$770.39 due to a service line leak. We recommend approval.

9747 East 46th Street - The property owner is requesting a sanitary sewer adjustment for \$745.30 due to a service line leak. We recommend approval.

4600 North Elmhurst Drive – The property owner is requesting a sanitary sewer adjustment for \$1,077.00 due to a service line leak. We recommend approval.

(Leak in meter pit – pipe blew out of the meter bar on customer side.**)**

8430 Somerville Drive – The property owner is requesting a sanitary sewer adjustment for \$726.98 due to a slab leak. We recommend approval.
